

Trek Part

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience effectively marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to providing new design concepts and top quality in order to meet the diverse requirements of their customers.

TREK Cleaning Machines always provides fresh design concepts as shown in their product development. They like offering items that energize both their partners and their dealers and provide production gains to their clients.

The TREK team of employees enjoys new tasks and new challenges. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and needs combined with their comprehension of cleaning applications, together with owners' strong desire to dramatically lower cost through productivity gains.

The employees at TREK and their dealer-partners are really committed to having both technical support and parts available when it is needed. Their high service dedication is one of the core values in their customer service. Keeping their customers' cleaning machines ready and functioning day by day is top priority. The company's top of the line technology delivers reliable machinery which eventually reduces your cost of cleaning. The product, the price and the service all work as one to be able to make them an industry leader.
